Dear Members:

The South Suburban Water Works Association (SSWWA) has established a scholarship fund to assist full-time and part-time students who wish to further their education beyond high school. We are now accepting scholarship applications for the 2020-2021 school year. This year, the SSWWA will be awarding up to two (2) - \$1,000 scholarships, and three (3) - \$500.00 scholarships.

Any student related to a current SSWWA member who is currently enrolled or planning to attend an accredited, or otherwise recognized post high school institution, and has not previously won a SSWWA scholarship, may apply. If you have applied in the past but have not won a scholarship you are welcomed to apply again.

A related family member is defined as a parent, spouse, grandparent, or aunt/uncle. Applications can be downloaded at <http://sswwa.org/> and are to be e-mailed to the Scholarship Committee Chairman at the address listed below, by noon, Monday, May 4, 2020. The application should be a single PDF containing all required paperwork. The PDF shall be named "2020 SSWWA Scholarship YOUR LAST NAME." Winners will be notified on or around Tuesday, May 12, 2020. Recipients will be invited to the SSWWA Annual Golf Outing Thursday, May 21, 2020 to receive their award.

Please review the attached Scholarship Fact Sheet for a complete listing of rules, deadlines and other important information. If you have any questions, please feel free to contact any of the scholarship committee members.
